

The APVTY15 harness is designed to be used in conjunction with our APVTY15C reverse camera kit or with the APVTY14 camera adapter and an NTSC camera.

*Connector located behind front left (passenger) kick trim*

*No need to disassemble the vehicles dash.*

Disconnect the original 26 pin connector harness.

Replace the existing 26 pin connector with the APVTY15 connector.

Reconnect the original 26 pin connector to the APVTY15 patch wire connector
